NOAA Ocean Guardian Program

- When:** 3-4-part program. Next one will take place over the Winter break. December 28, 29 & 30, 2:00pm to 5:00pm
- Who:** Open to any children ages 8-14 who have an interest in marine science
- What:** Become an ocean advocate through this NOAA program. 3 classroom sessions talking about Marine Sanctuaries, ocean debris, FL Keys sanctuary, Marine life, Humpback whales, Lionfish. Last session is a pool session either on snorkel or scuba where we enter a simulated coral reef to protect and discover the wonders of the ocean.
- Why:**
- Promote active stewards of the oceans and waterways
 - Educate you and others in marine sciences
 - Provide an introduced to scuba or improve current scuba skills
 - Utilize what we learn to enhance our diving experiences while promoting healthy oceans.
- Where:** Rum Runner Dive Shop
- 214 B Beacon Dr.
- Winterville
- How:** The children will be presented information in a fun and interactive way by means of video, games and projects. The final session we will get in the pool in a make simulated reef environment and put what was presented into underwater action. All equipment will be provided. The course is taught by a professional scuba instructor and a lifeguard is always on duty.

\$75 for the total program
