

Join Rum Runner Dive Shop at Buddy Dive Resort in Bonaire!

February 17 to 24, 2018

Come with Pete, Carolyn and Rum Runner Dive Shop to one of our favorite dive destinations, Bonaire. With over 60 dive sites & 24/7 unlimited shore diving around the island, divers are free to dive where they want, when they want and how they want.

When you are not diving, relax at the oceanfront resort, Buddy Dive, whose full service top-rated dive shop is home to the famous drive through tank pick-up. Photo & video enthusiasts will appreciate the on-site photo shop and advice from "The Doc". Bonaire provides the perfect place to hone those skills or for those less encumbered by camera gear, you can just enjoy the tranquil waters, healthy reefs and abundant sea life that makes Bonaire famous.

Topside, Buddy Dive has everything you need including a great restaurant, bar and 2 pools. Spacious apartments make a great base for quick meals or enjoying a cocktail on your private balcony or patio. Adventurous spirits will enjoy a wide range of alternative activities including windsurfing, mangrove kayaking, snorkeling, hiking and cycling.
