

Advanced Dive into STEM Camp

Dates: July 21-25, 2025

Time: 9:00am-2:30pm

Ages: 11-15

Location: Rum Runner Dive Shop

Cost: \$200

Registration Deadline: July 16

BECOME AN ADVANCED CITIZEN SCIENTIST AND OCEAN GUARDIAN! This camp is for kids who have previously done Dive into STEM Camp or who kids who can comprehend more advanced marine and science concepts. Campers will be introduced to the underwater world through activities such as snorkeling, scuba diving and interactive games, as well as through engaging in themed presentations about ocean conservation. Some of the themes include environmental impact on the oceans, marine biology, natural reef inhabitants, invasive species, NC coastal waterways, artificial reefs, and maritime archaeology. Advanced Dive into STEM camp will concentrate on educating youth about marine environments, human impact, and how we can help. Includes a field trip to the ECU Queen Anne's Revenge Conservation Lab, River Park North. Campers should bring a bathing suit, towel and lunch. Scuba, and fun will be provided. If campers wish to bring their own snorkel gear, they are more than welcome to do so. Campers must have basic swimming skills.

Minimum 3:1 ratio of students to counselor.

Bring each day:

Lunch

Bathing suit and towel
