

Summer Camps 2025

Dive into Stem Camp

Location: Rum Runner Dive Shop, 214 B Beacon Drive Winterville, NC 28590

Dates: Week # 1 June 23-27, 2025 Week # 2 August 4-8, 2025

Time: 9am-2:30pm

Ages: 8-12

Cost: \$200

Registration deadline: June 18 and July 29

Join us for a fun, educational and adventurous week of camp. This citizen science program will help your child become an ocean guardian through the study of snorkeling, scuba explorers, marine ecosystems and habitats, lionfish, water properties and sharks! This a very interactive camp with many hands-on project and activities; indoors, outdoors and in the water.

Participants must have a basic swimming ability

Advanced Dive into STEM

Location: Rum Runner Dive Shop

Dates: Week # 1 July 21-25, 2025

Time: 9:00am-2:30pm

Ages: 11-15 or prior Dive into Stem Camp

Cost: \$200

Registration Deadline: July 16

BECOME AN ADVANCED CITIZEN SCIENTIST AND OCEAN GUARDIAN! This camp is for kids who have previously done Dive into STEM Camp or who kids who can comprehend more advanced marine and science concepts. Campers will be introduced to the underwater world through activities such as snorkeling, scuba diving and interactive games, as well as engaging in themed presentations about ocean conservation. Some of the themes include environmental impact on the oceans, marine biology, natural reef inhabitants, invasive species, NC coastal waterways, artificial reefs, and maritime archaeology.

Participants must have a basic swimming ability

Junior Scuba Camp

Location: Rum Runner Dive Shop

Dates: July 7-11, 2025

Time: 9:00am-4:00pm

Ages: 10-16

Cost: \$650

Registration deadline: July 1

This camp is a full day camp for kids ages 10 to 16 who wish to become scuba certified. The scuba certification is a National Association of Underwater Instructors (NAUI) program and if the students complete the academics, pool skills and open water dives, they will be scuba certified to dive with an adult, as a Jr. Scuba Diver. This is a fairly intense program that includes online learning, a classroom (academic) portion, swimming skills, snorkeling skills and scuba diving skills presented over the first 3 days. If the students are comfortable and successful they will then go to what is called the open water portion of the training where they will do 4-6 dives in the local quarry. There is no guarantee of completion during the camp but we will make every effort and opportunity for them to come back to complete the training at no additional cost.

Prerequisites:

Must have reasonable swimming skills

Must have a medical form completed

Parents must watch a risk awareness video and complete a waiver

What is included:

Each student will receive their own personal mask, snorkel, boots and fins

All classroom materials

All rental equipment

Minimum 3:1 ratio of students to NAUI Instructor/Leadership

Diver's Alert Network Dive (DAN) Accident Insurance

Snacks

Quarry entry fees

Transportation to the Quarry
